

Eco-Friendly Floor Cleaner

pH NEUTRAL. ENVIRONMENT & PEOPLE SAFE
COST EFFECTIVE. HIGHLY CONCENTRATED

Based on Clean & Green Super Concentrate Cleaner, which was formulated in partnership with the U.S. Environmental Protection Agency (EPA) to provide a safer more environmentally preferable alternative without sacrificing performance – this highly concentrated, versatile cleaner is formulated to take on a wide range of floor soils.

FEATURES & BENEFITS

- Leaves floors gleaming
- Superior Performance
- Excels on a majority of soil types
- Eliminates need for multiple floor cleaners
- Particularly effective in oily environments
- Safe to use on any water tolerant surface

ENVIRONMENTALLY SAFE

Water-based, neutral pH, environmentally-kind and worker-friendly; no hazardous chemicals, no unnecessary dyes or fragrances; bio-degrades.

ECONOMICAL

Concentrated product reduces freight, inventory, and handling costs. Use less product to achieve outstanding results.

Recommended Usage Guidelines (hard floor except for carpet treatment)
