## Eco-Friendly, pH Neutral, Water Based Industrial and Commercial Cleaning Solutions

### THE PERFECT SOLUTIONS

What if you could have cleaning solutions that are:

- ✓ Sustainable, biodegradable, and eco-friendly
- ✓ Kind to humans and animals
- ✓ Certified to clean powerfully and effectively
- ✓ And save you money?

**NOW YOU CAN. Our cleaning solutions are all this. And more.**

**Developed in Partnership with the U.S.A. Environmental Protection Agency (EPA).** With this background, you know you can rely on both the cleaning ability and the environmental benefits (see box below).

**Powerful General Cleaning Solutions:** Benefit from a powerful cleaning action on a wide range of soils. These cleaners dry without streaking and leave hard surfaces sparkling clean, and gleaming.

**Amazing Disinfecting Detergents:** Save time. Be safe. **Clean, sanitize, disinfect, and deodorize**, all in ONE STEP. With a powerful cleaning action on a wide range of surfaces and soils, these disinfectants kill 99.999% of bacteria, viruses, fungus, mildew, and mold. **Kills Human Coronaviruses SARS-Cov-2/Covid-19** (EPA "N" list).

**Highly Concentrated, Low Cost:** A tiny 1oz/30ml value pack pouch typically makes one gallon/3.8 liters. Just add to water. Imagine how this simplifies delivery, handling, and storage – and slashes costs.

**Contact us to put powerful eco-friendly cleaners to work for you**

The basis for our core cleaning solutions was developed in 2005 in partnership with the U.S.A. Environmental Protection Agency (EPA) and is recommended and promoted by the EPA. With this background, you know you can rely on both the cleaning ability and the environmental benefits.

**By using these products, you are helping to protect the environment and safeguard human health.**

#### ENVIRONMENTAL & SAFETY FEATURES

- Safe, Economical, Versatile, Effective
- pH neutral
- Water based
- Biodegradable
- Non-Hazardous
- Sewerable
- Non-toxic
- Non-VOC
- Butyl Free
- Phosphate Free
